—For Immediate Release—

### **UTILITY LINE PROTECTION PROGRAM NOW AVAILABLE TO RESIDENTS**

**[ Kennedale, TX - March 5, 2013 ]**

The City of Kennedale is introducing an optional program available to homeowners, provided through the National League of Cities (NLC) Service Line Warranty Program administered by Service Line Warranties of America (SLWA). The Service Line Warranty program provides low cost, worry free warranty protection for water lines. "Many citizens are unaware that they are responsible for the water lines that go from the utility connection to their home. If these lines break or leak, repairs can be very expensive," said John Clark, Mayor. "The Service Line Warranty program offers citizens an affordable way to avoid the unexpected and often large expense involved with a water line break. When a line breaks, the cost to repair it can often cause hardship on a family's budget. This new program will offer warranty protection to help cover the costs of a break." City of Kennedale residents will see offers in their mail boxes soon. The warranty will cover water line repairs up to \$4,000 plus an additional allowance of \$500 for public sidewalk cutting, if needed. The program is offered at no cost to the City of Kennedale, and no public funds are used to promote the program. "We are pleased to work with the City of Kennedale to offer homeowners an affordable Service Line Warranty program," said Brad Carmichael, Vice President of Business Development for Service Line Warranties of America. "We think Kennedale residents will be pleased with our features and benefits, including a 24-hour repair hotline and the use of local, certified technicians. This keeps dollars in the local economy, an important benefit in these tough financial times." SLWA is proud to have been selected by NLC as an Enterprise Programs Partner. For questions about this service, or to enroll, please contact Service Line Warranties of America at 866-922-9006 or visit [www.slwofa.com](http://www.slwofa.com).
