### **WEST NILE CONFIRMED IN KENNEDALE**

**[ Kennedale, TX - September 11, 2012 ]**

Tarrant County Public Health has reported that the latest water sample from the City of Kennedale tested positive for West Nile virus. The City encourages all residents to drain any standing water, stay indoors in the early morning and evening, and wear long pants and long sleeves when possible. For up to date information on West Nile virus and other health concerns, please visit [www.tarrantcounty.com](http://www.tarrantcounty.com) and click on 'West Nile 2012'.

**CITY PRESS CONTACT:**

Amethyst G. Cirimo, City Secretary/Communications Coordinator, (817) 985 – 2104 - [acirimo@cityofkennedale.com](mailto:acirimo@cityofkennedale.com)
