OLD TOWN
AVALON & PINE HOPE
BROOKSTONE
MELIA RANCH

When Santa heard that we wouldn't be able to gather in TownCenter for the Tree Lighting Festival this year, he knew something had to be done.

He called up KFD and soon they had a plan. Instead, Santa would ride on the engine down each and every street in Kennedale, spreading holiday cheer.

Thank you to the Kennedale Fire Department for making sure that everyone gets a chance to see Santa Claus this year even though we may be staying...
