

Effective October 1, 2025

On July 15, 2024, the City Council approved a rate plan spanning October 1, 2024, through September 30, 2028.

This brochure details the rate changes associated with water and wastewater service for residential, commercial, and industrial customers in Kennedale. Factors leading to the rate change include, but are not limited to: increases in costs related to wastewater treatment, operations costs, and necessary capital improvements. The typical residential customer can expect a monthly increase of \$16.59 based on 10,000 gallons (10kGal) of water and 5kGal of wastewater service. The typical commercial customer can expect a monthly increase of \$61.73 based on 20kGal of water and 20kGal of wastewater service.

The Fiscal Year 2026 budget includes \$11 million for capital projects.

Customer Care can be reached by calling 817-985-2120. Inquiries and payments can also be made at the Municipal Building in Kennedale (405 Municipal Drive).
